

Volunteer Opportunity

The District Attorneys Office for El Paso County has a volunteer opportunity for a:

Database Developer

This person, under the direction of the computer systems manager will analyze the existing database system and applications. The objective is to document same with schemas and E/R diagrams. From those designs, propose and implement enhancements to improve these systems and add features. There are a number of areas of business application within the existing database systems. The person who volunteers will gain valuable experience working with various functional groups to support the community mission of the District Attorneys office.

Primary computer tools used will be Intel based PC with Windows XP client and Microsoft SQL Server and or Microsoft Access on Windows 2003 server.

Benefits of this position include:

- Serving your community advancing the technology of the District Attorneys office.
- Valuable real world experience in developing the latest SQL & Access databases
- Working with a great team helping each other grow as the organization grows.

Requirements for this position include:

- At least one year experience with SQL Server and or Microsoft Access
- Minimum of 8 hours per week volunteer time to assure project completion
- Must submit to and pass a criminal history background check

Please come join the Computer Systems group as they take the District Attorneys office to the next level in technology. We have this and other exciting opportunities in the Computer Systems area.

105 E. Vermijo St., Colorado Springs, CO 80903 719-520-6000
