

Power Against Fraud Seminar

Fraud and economic crimes are growing in Colorado. Older adults are frequent targets of crimes such as identity theft, telemarketing fraud, door-to-door scams and street cons.

The District Attorney's Office presents a *Power Against Fraud* seminar with an interactive quiz to test your knowledge of fraud. You'll learn simple, but effective crime prevention steps to build *your* power against fraud. Even if you think you know how to protect yourself, we guarantee you'll learn even more!

CASE is a Partnership of the District Attorney and the Community to Prevent Elder Financial Exploitation

This program is designed to provide fraud presentation to seniors, but the information would be useful to people of all ages. We require a minimum amount of time, and we bring the program to your organization. To schedule a presentation, please call 520-6002.

The DA's office, as part of this outreach, will provide monthly fraud alerts to help people recognize fraud before becoming a victim. The DA's office also has a Fraud Hotline where people are able to talk directly to an experienced economic crime representative about any related issue. The Hotline number is 520-6292.
